From the President.

Another season has passed and hopefully all our players have gained much knowledge and enjoyment from the game of Rugby League. Our training and development staff have exceeded all expectations and trust they have enjoyed the experience.

Our success this year can be attributed to the generosity of our sponsors. Without their support we would struggle to be the competitive club we are developing into.

Many of our teams performed well and were very competitive. The finals series saw the under 15s as the only team from both the senior and junior clubs to feature. Our under 11s, 12s and 16s only just missing out on the finals series.

This year our club was well represented in the rep teams with 10 players being selected for representative duties. Not bad considering we are the smallest club in our group. Congratulations are also extended to Mat Mulcahy and Jacob Miller in making the NSW Primary Schools team. Over the past two years the club has developed a maintained an Elite Players Program which assists players like Mat to achieve their rugby League dreams.

A change of playing times this year has given some of our players a chance to watch our senior teams in action. We believe our juniors have revelled in the chance to learn from their local idols. A survey conducted throughout the year found the Juniors were very interested in the Seniors progress and viewed many of the players as role models.

Our survey revealed A grade forward Adam McKenzie was the most recognised player. Glen Godbee earned the distinction as the most admired back with Mitchell Morris earning the gong for the forwards. Congratulations to these players as you efforts do make a difference.

Finally we would like to thank the team from Aussie Gateways for the amazing amount of work and support our club receives from their efforts. Without this sponsor the Mullumbimby club would be just another struggling club instead of the success story it is developing into.

Yours in League

Leon Reid.
President.
