## **PETITION: DO NOT TAKE OUR SPORTSFIELD**

## To Mr. Joe Tripodi, Minister for Roads, Parliament House Sydney.

We, the undersigned, respectfully request that the Minister direct the Roads and Traffic Authority not to purchase Lot 107 Shara Boulevarde Ocean Shores from Byron Shire Council for the purpose of compensatory habitat associated with the Pacific Highway widening at Ocean Shores and Brunswick Heads.

We advise the Minister that Lot 107 was purchased by Council for sportsfields for the Ocean Shores and neighbouring communities. We further advise the Minister the local communities were not consulted regarding the inclusion of Lot 107 as part of the environmental compensation package and it is not our wish that it be included.
